STEP 1

Click on the Provided Invite Link by Sense Cloud in Your e-mail

STEP 2

Type Your Company Name

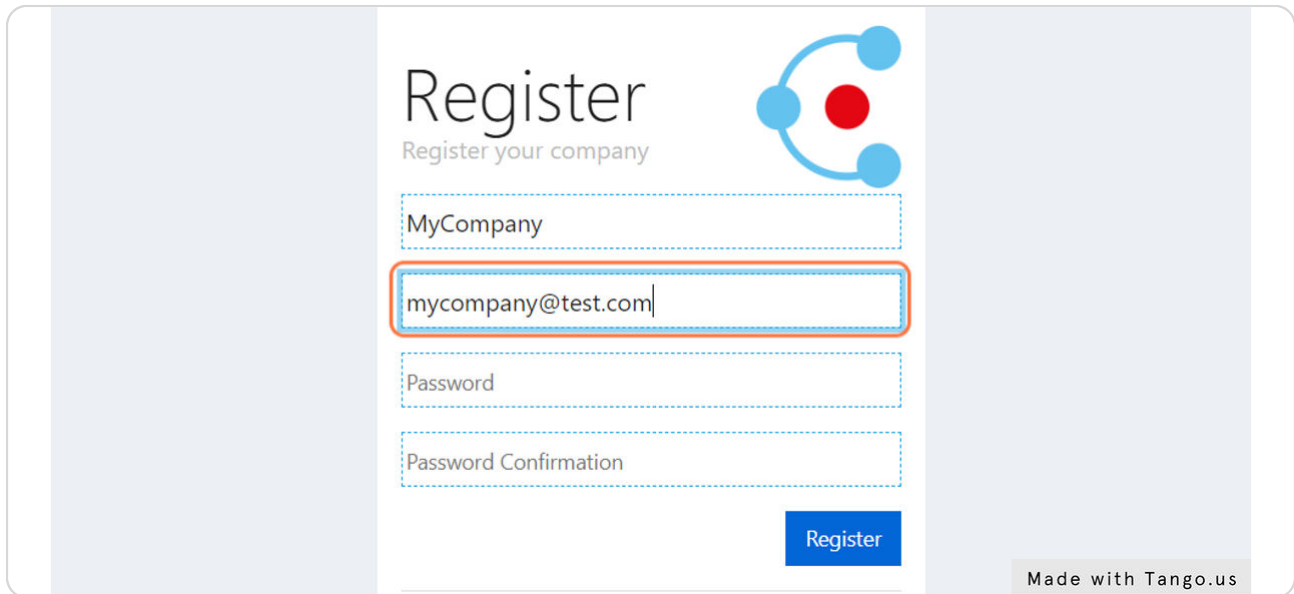

Example: Microsoft, Apple Inc., Heineken Holding.

The image shows a registration form titled "Register" with the subtitle "Register your company". The form includes a logo consisting of three blue circles connected by lines, with a red circle in the center. The form has four input fields: "MyCompany" (highlighted with an orange border), "Email", "Password", and "Password Confirmation". A "Made with Tango.us" watermark is visible in the bottom right corner.

STEP 3

Use a Valid e-mail to Register Your Account

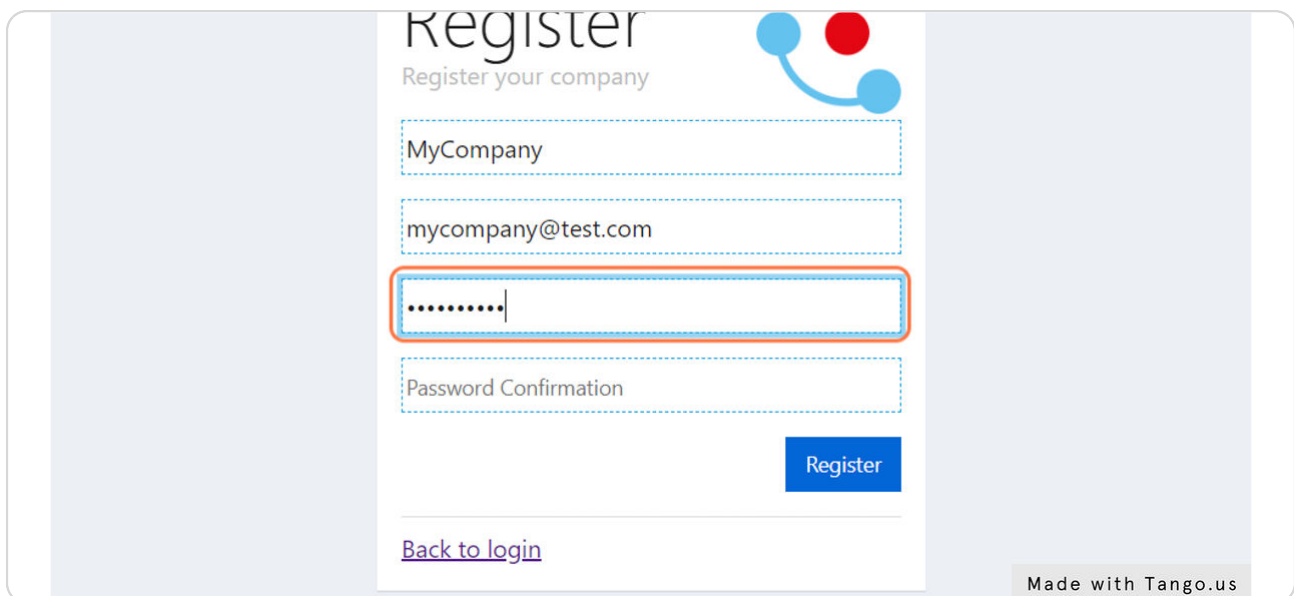

The screenshot shows a registration form titled "Register" with the subtitle "Register your company". The form includes a logo with three blue circles and one red circle. The fields are: "MyCompany", "mycompany@test.com" (highlighted with a red border), "Password", and "Password Confirmation". A blue "Register" button is at the bottom right. A footer note says "Made with Tango.us".

STEP 4

Create a Password

The password must contain atleast: 1 uppercase letter, 1 lowercase letter, 1 number, 1 special character (!,?#\$\$% etc.) and must atleast be 6 characters long.

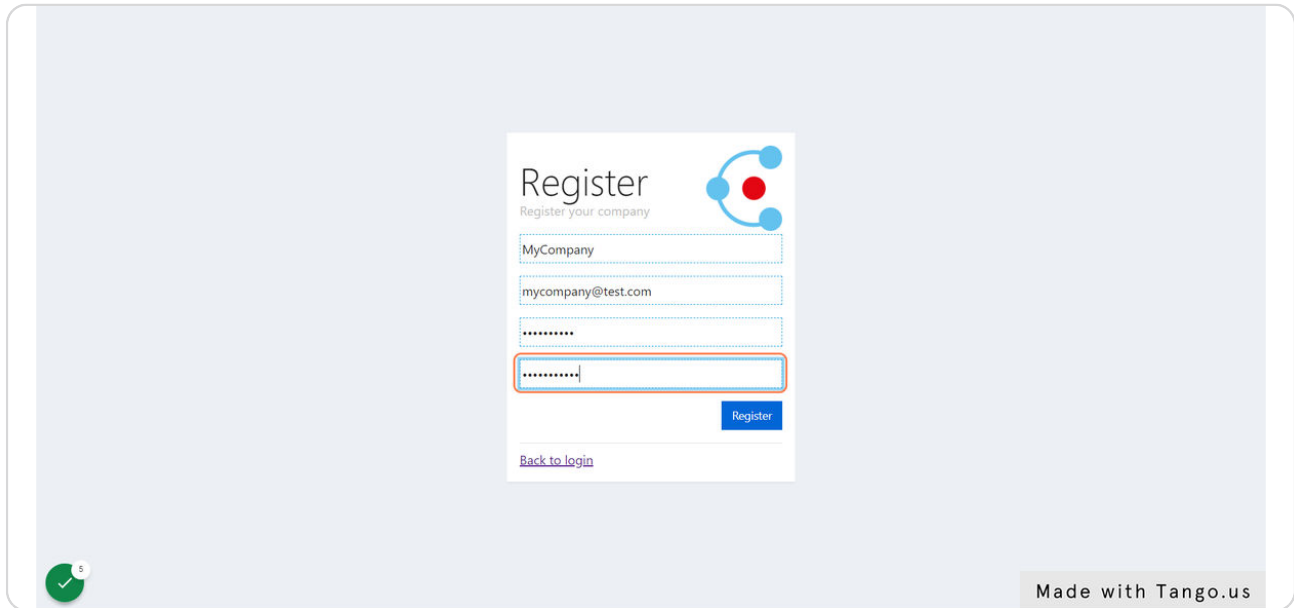

The screenshot shows the same registration form as in Step 3. The "Password" field is now highlighted with a red border and contains seven dots. The "Password Confirmation" field is empty. A blue "Register" button is at the bottom right. A "Back to login" link is at the bottom left. A footer note says "Made with Tango.us".

STEP 5

Confirm Your Password

Fill in your password again for confirmation.

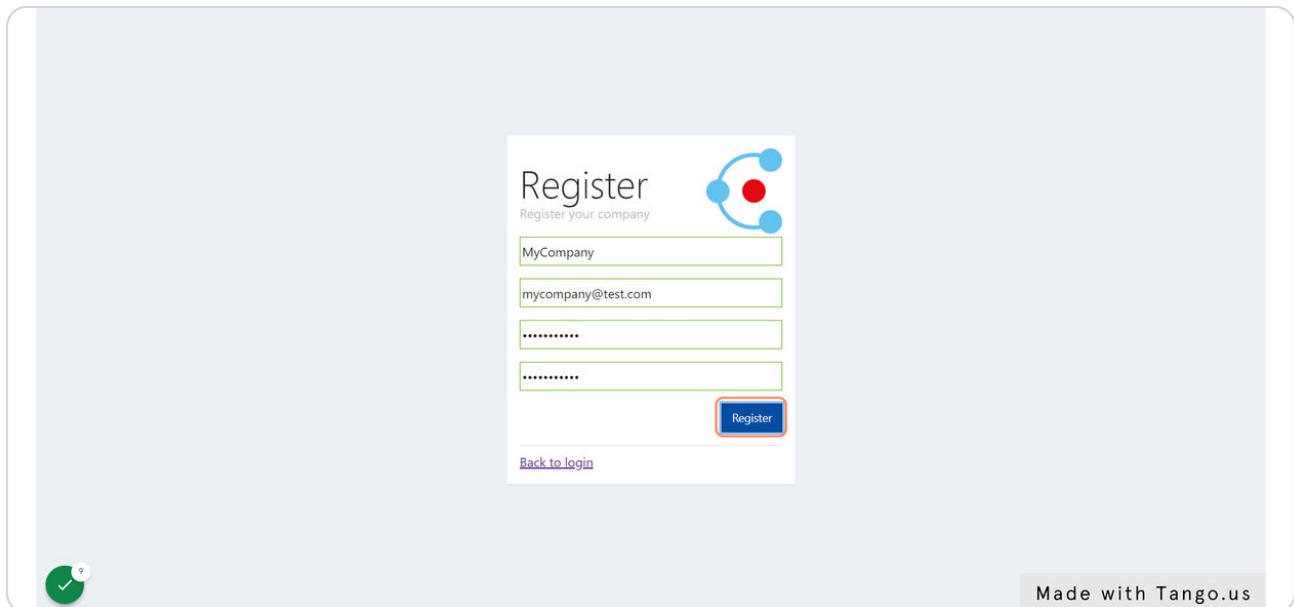

The screenshot shows a registration form titled "Register" with the subtitle "Register your company". The form includes a logo on the right consisting of three blue circles connected by lines, with a red circle in the center. The form fields are: "MyCompany", "mycompany@test.com", a password field with "*****", and a confirmation password field with "*****" which is highlighted with a red border. A blue "Register" button is located below the confirmation field. A link "Back to login" is at the bottom left of the form. In the bottom left corner of the screenshot, there is a green checkmark icon with the number "5" next to it. In the bottom right corner, there is a grey box with the text "Made with Tango.us".

STEP 6

Click on Register

Click on the button register to register your company to Clicker Cloud.

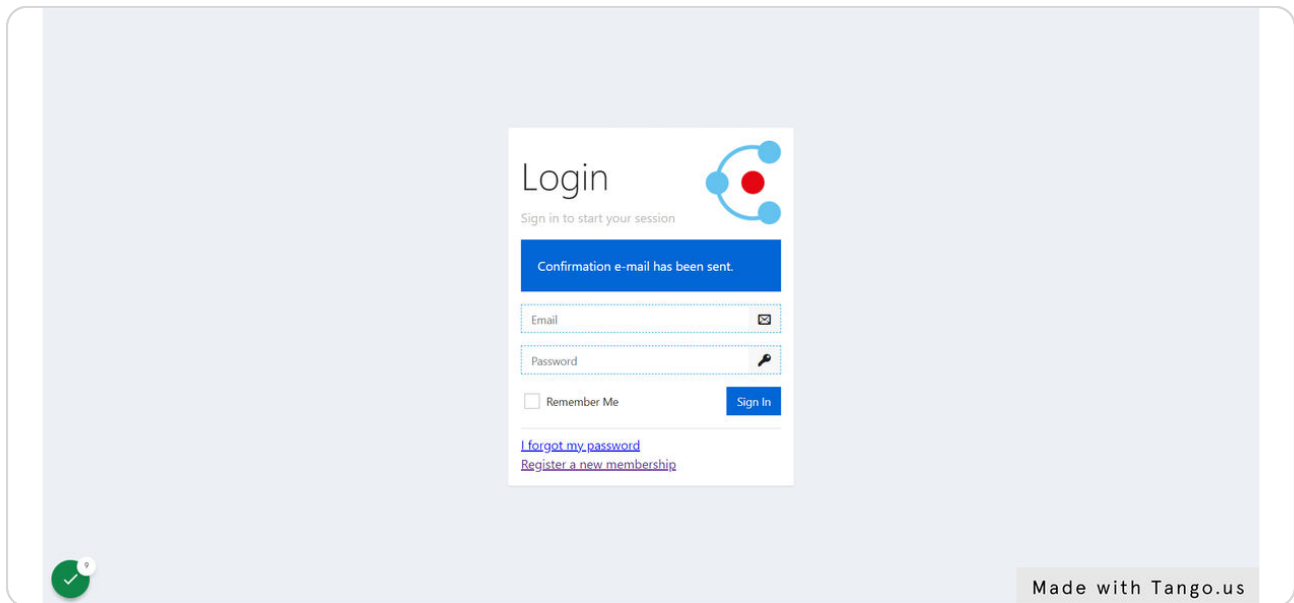

The screenshot shows the same registration form as in Step 5. The "Register" button is now highlighted with a red border. The other elements, including the form fields, logo, and "Back to login" link, remain the same. In the bottom left corner, there is a green checkmark icon with the number "6" next to it. In the bottom right corner, there is a grey box with the text "Made with Tango.us".

STEP 7

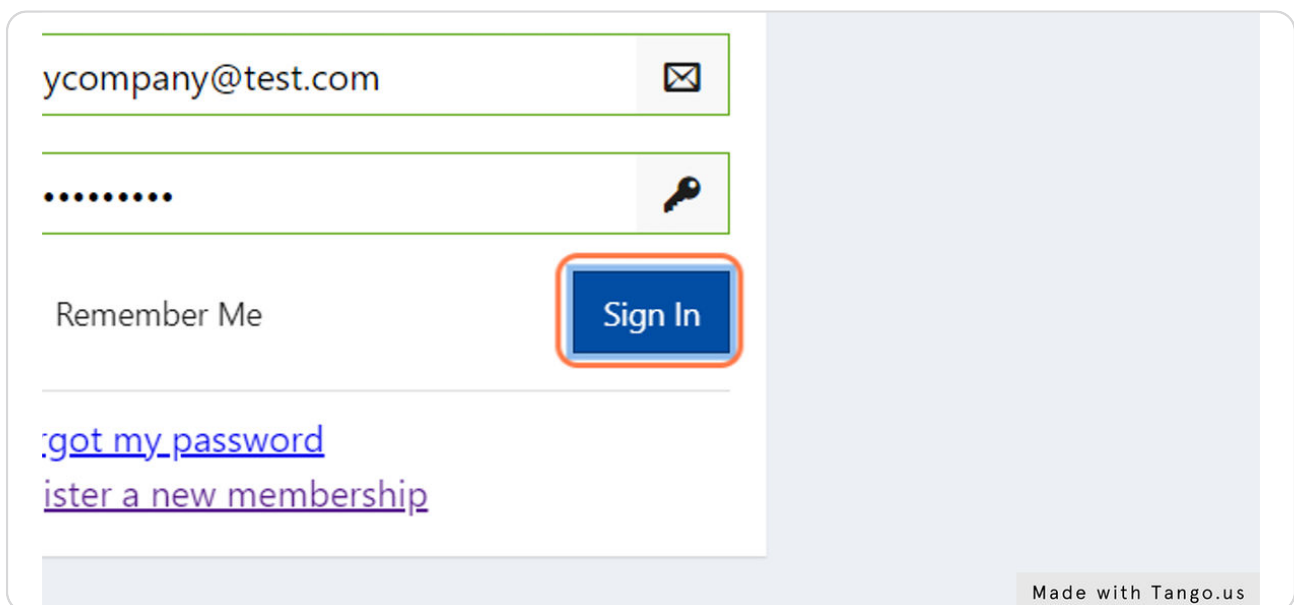

Confirm e-mail

After registering your account a confirmation e-mail will be sent to your e-mail. Please click on the provided link to confirm your account. After this you will be able to use your credentials to login.

STEP 8

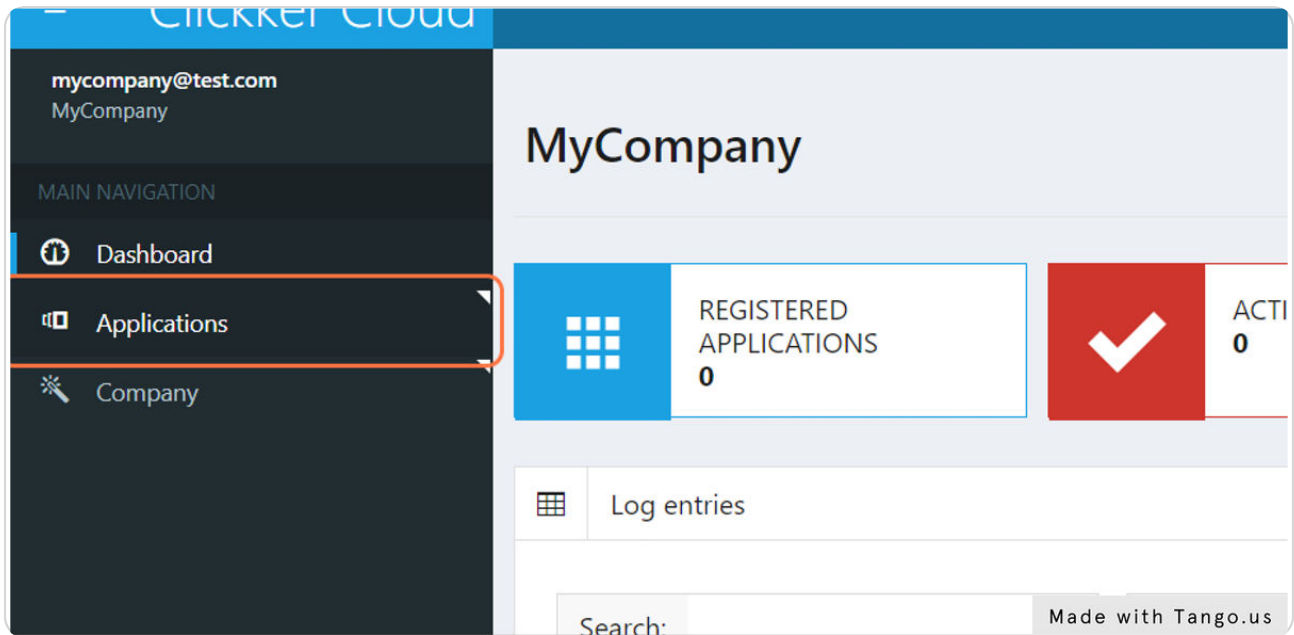

Fill In Your Credentials and Click on "Sign In".

STEP 9

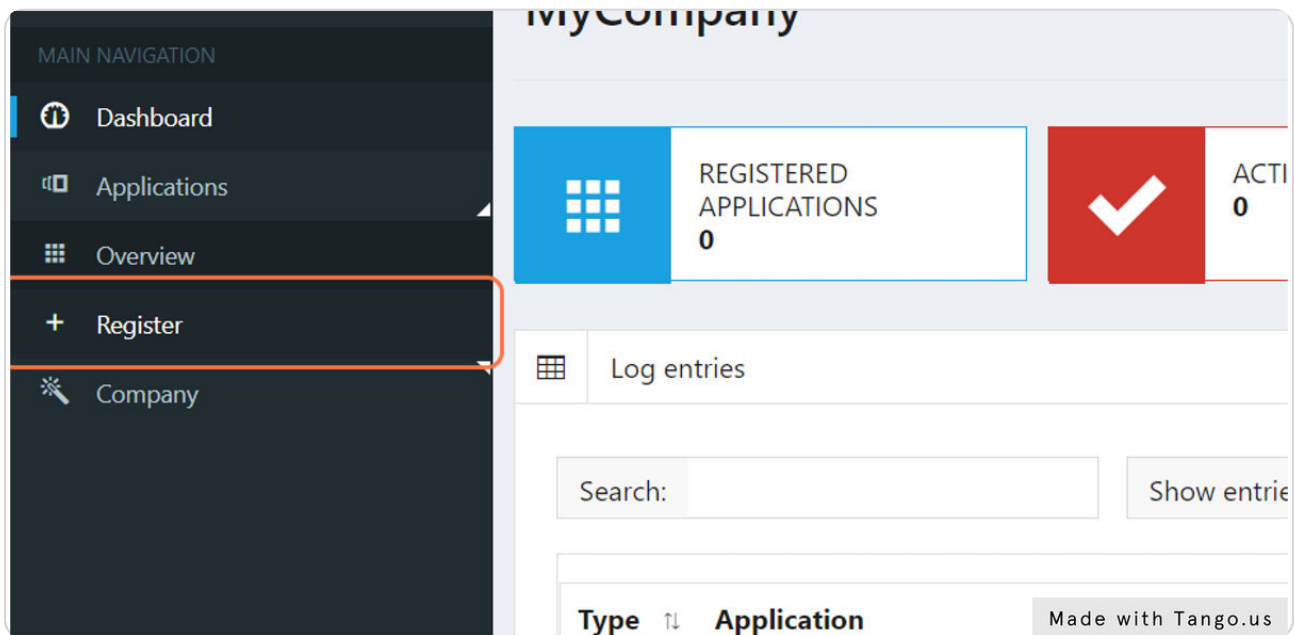

Click on Applications

To register your Exact Online to Clicker Cloud go to Applications.

STEP 10

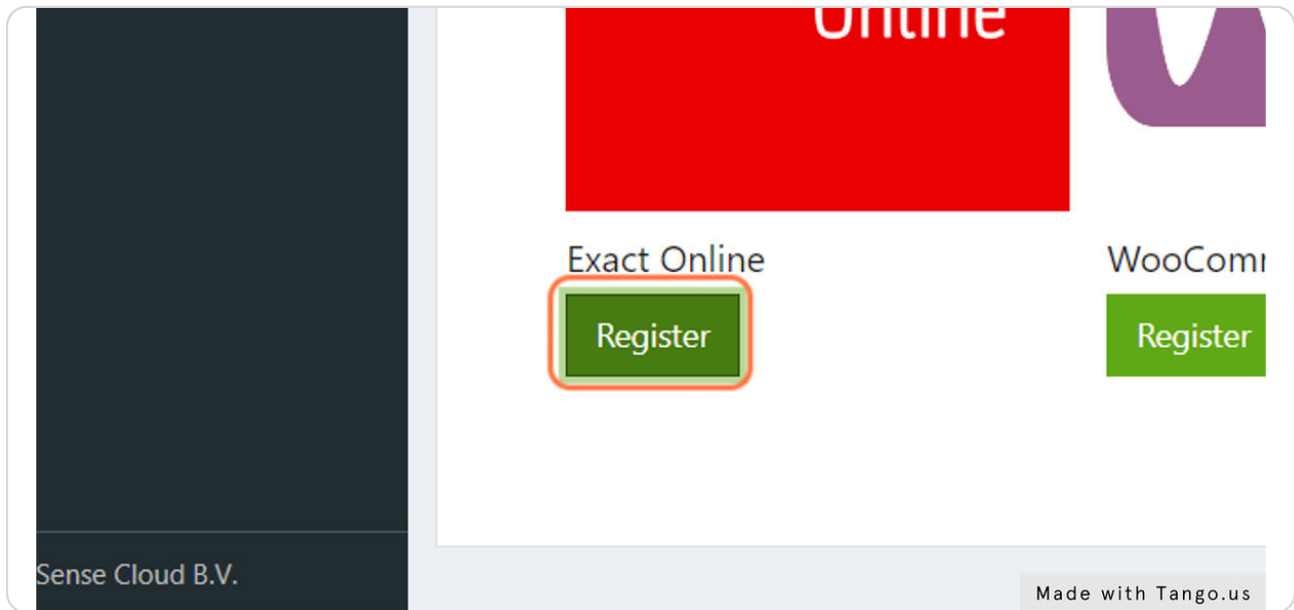

Click on Register

STEP 11

Register the Exact Online App

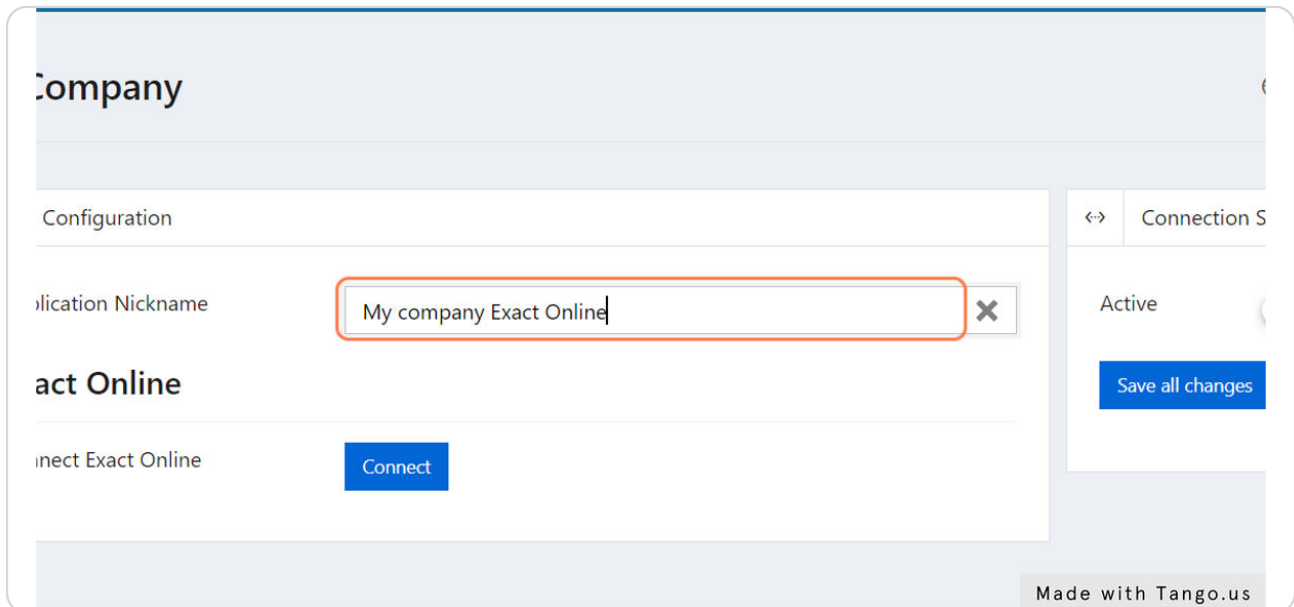

Click on the Register button to add the Exact Online app to your company.

STEP 12

Name the App

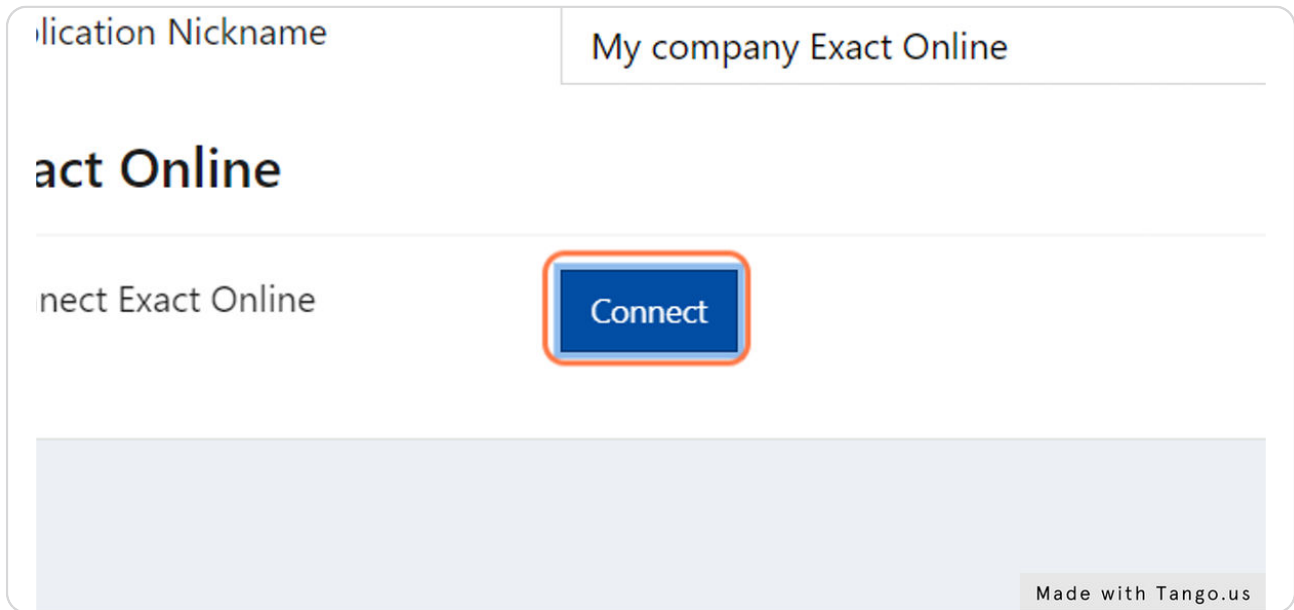

Give the Exact Online app a name of your choosing.

STEP 13

Click on Connect

Clicking on this button will redirect you to a login page of Exact Online.

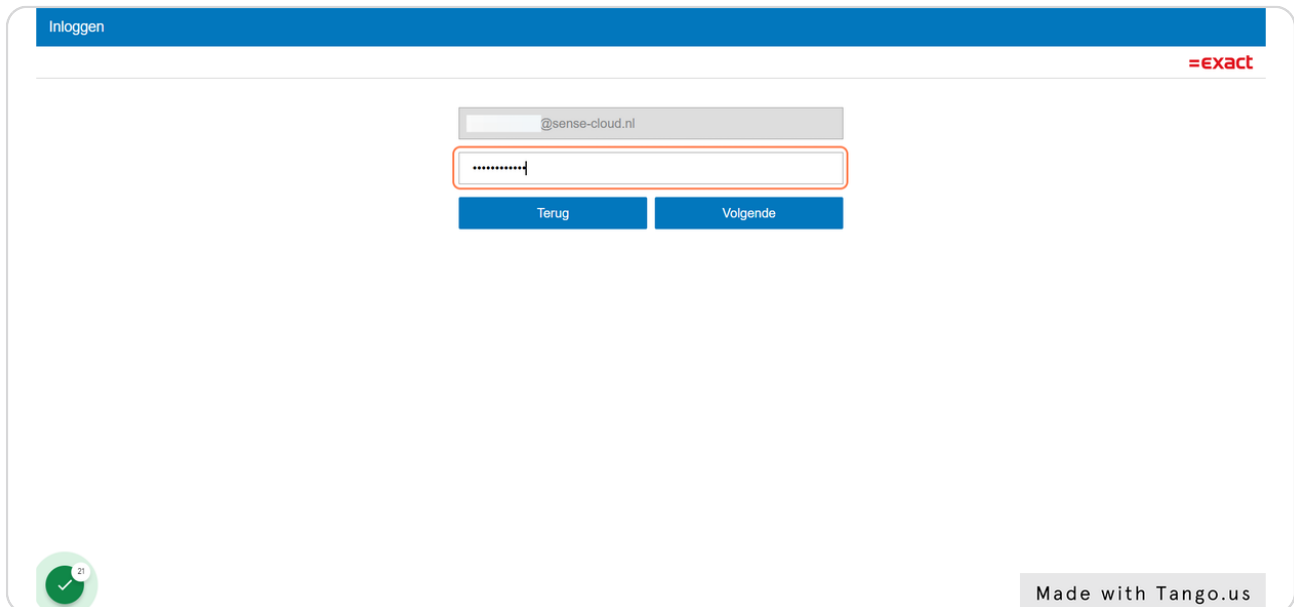

The screenshot shows a web interface for connecting to Exact Online. At the top, there is a field labeled "Application Nickname" with the text "My company Exact Online" entered. Below this, the text "act Online" is displayed. A large blue button with the word "Connect" in white is centered on the page and is highlighted with a red rectangular border. At the bottom right of the interface, there is a small grey box that says "Made with Tango.us".

STEP 14

Login on Exact Online

Fill in your Exact Online credentials.

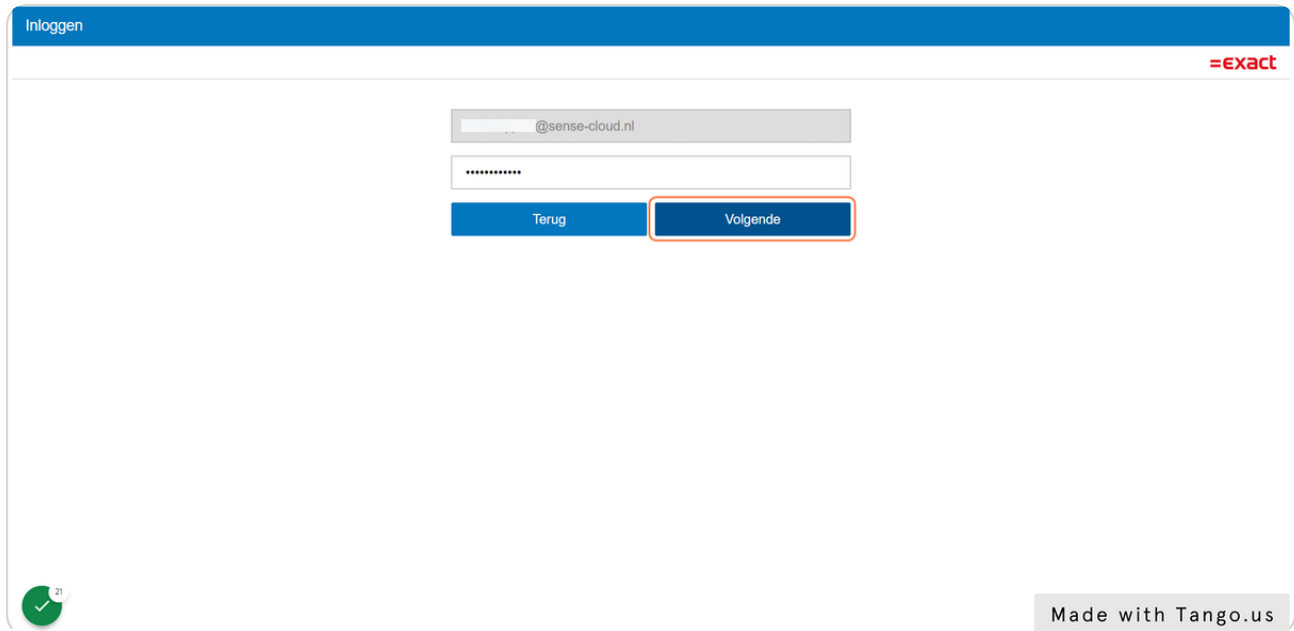

The screenshot shows the login page of Exact Online. At the top left, there is a blue header with the word "Inloggen". At the top right, there is a red logo that says "=exact". Below the header, there is a login form. The first field is for the email address, containing "@sense-cloud.nl". The second field is for the password, containing a series of dots. Below the password field, there are two blue buttons: "Terug" (Back) and "Volgende" (Next). At the bottom left of the page, there is a small green circular icon with a white checkmark and the number "21". At the bottom right, there is a small grey box that says "Made with Tango.us".

STEP 15

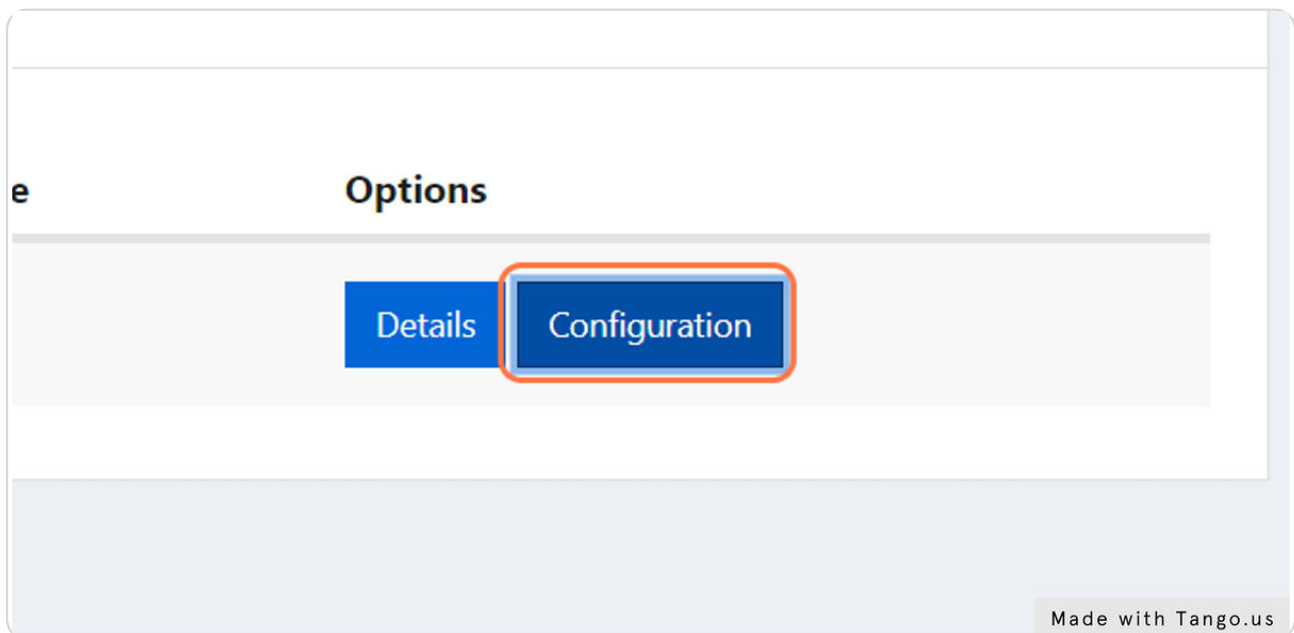

Click on the Login Button

After a successful login Exact Online will redirect you back to Clicker Cloud.

STEP 16

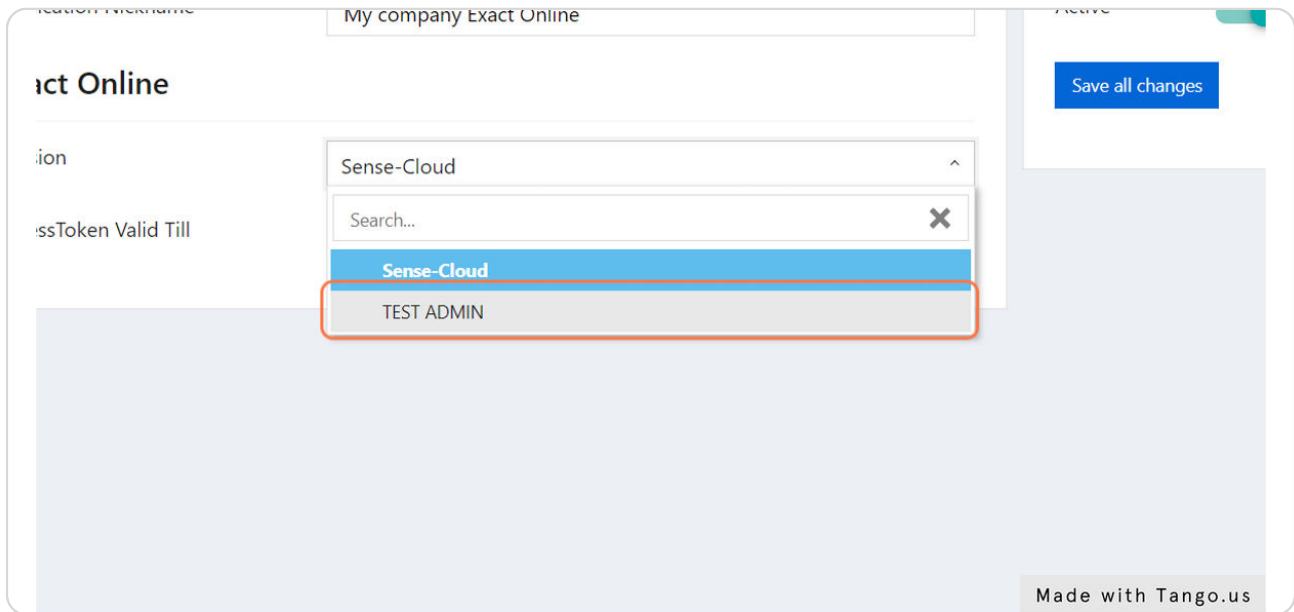

Configure Your Exact Online App.

STEP 17

Selecting a Division

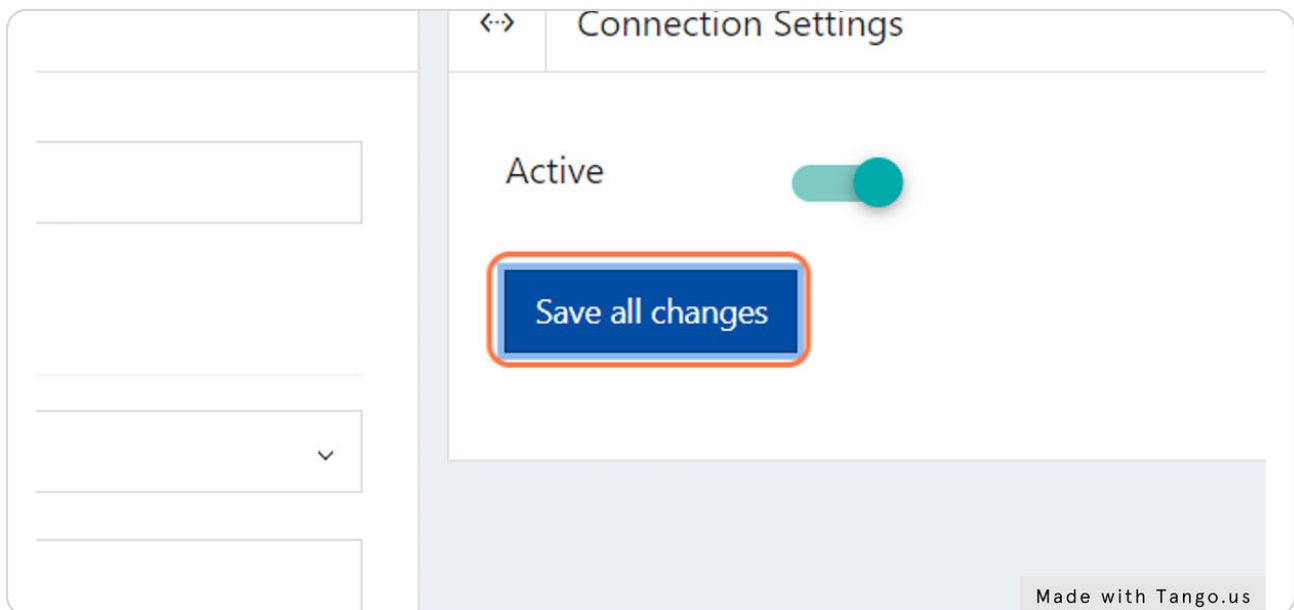

Select the administration/division you want to connect to Clicker Cloud.

STEP 18

Saving Your Changes

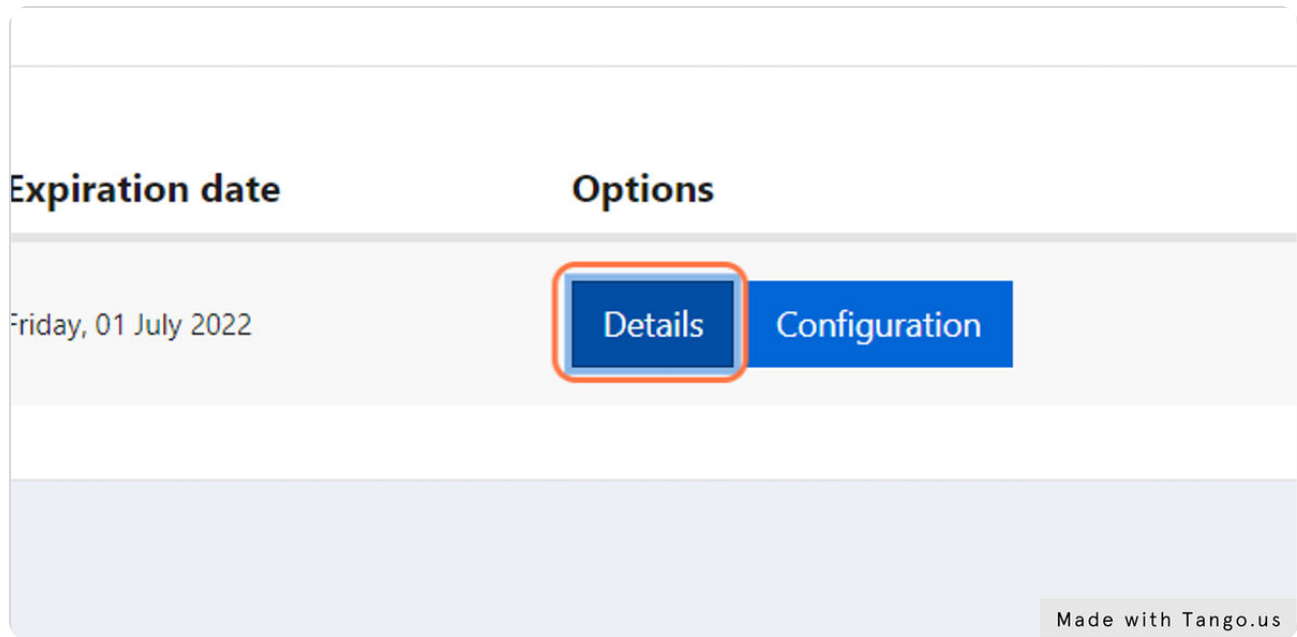

After everything is setup correctly, please click on "Save all changes".

STEP 19

Checking Your Settings

You're always able to change and check on your settings. To see if everything is correct you can go to "Details" and to change the configuration go to "Configuration".

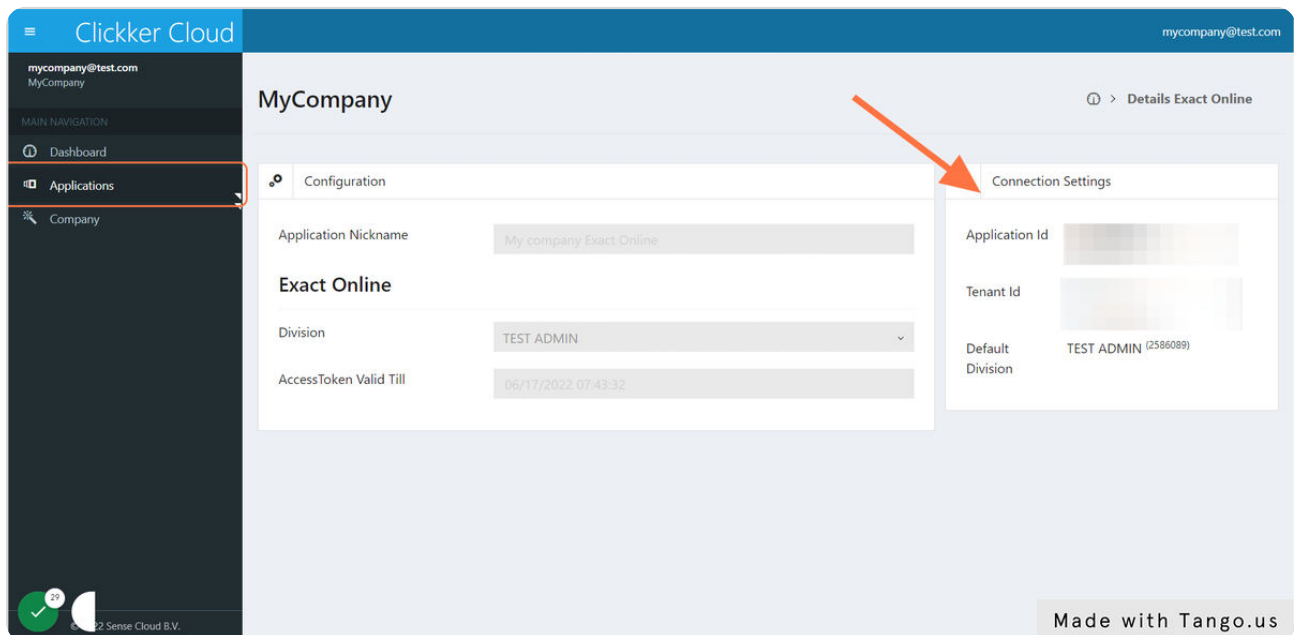

STEP 20

Ready To Connect & Finished!

For a 3rd party to connect with Clickker Cloud they will need the "Connection Settings". Under the blurred parts of the image below it contains details to connect to your Exact Online. A 3rd party might ask you for these credentials. Sharing these connection settings with a 3rd party other than trusted partners from Clickker is at your own risk.

You have successfully registered your Exact Online application.

The screenshot displays the Clickker Cloud interface for a user named 'MyCompany'. The main navigation menu on the left includes 'Dashboard', 'Applications', and 'Company'. The 'Applications' menu item is highlighted with a red box. The main content area shows the configuration for an Exact Online application. The 'Configuration' section includes fields for 'Application Nickname' (My company Exact Online), 'Division' (TEST ADMIN), and 'AccessToken Valid Till' (06/17/2022 07:43:32). The 'Connection Settings' section is highlighted with a red arrow and contains the following information:

Field	Value
Application Id	[Blurred]
Tenant Id	[Blurred]
Default Division	TEST ADMIN (2586089)

The interface also shows a 'Details Exact Online' link in the top right corner and a 'Made with Tango.us' watermark in the bottom right corner.
